

Product description · Pakettipiste Express

Purpose of service product

- Early shipment for business clients to your customer's address on the next business day from pick-up.

Parcel weight and dimensions

- Parcel maximum weight: 35 kg
- Parcel maximum size: length 100 cm + width 60 cm + height 60 cm
 - With the additional 'Separate handling' service, maximum available length of parcel's longest side is 200 cm
- Package maximum volume: 0.36 m³
 - With the additional 'Separate handling' service, maximum volume is 0.50 m³

Pricing

- Parcel shipments: €/shipment + €/kg
 - Maximum 10 parcels per shipment, separate shipment for any extra parcels
 - For parcel shipments, pricing is based on measured weight or volume weight (width × length × height × 250 kg), whichever is higher. Minimum chargeable weight 1 kg, chargeable weight rounded up to next kilogram.
- Transportation in transport units: €/transport unit depending on the unit's transport unit type and transportation zone

Permitted additional services

- Saturday delivery
- LQ
- Fragile
- Separate handling
- Change to delivery information
- Separate pickup

Service promise

- Delivery early on the next business day from the date of Pakettipiste assuming possession of the shipment.
- Postcode-specific delivery time with a separately-provided service attachment.
- Delivery method to be agreed separately.
 - Available methods include delivery with keys or to delivery box.

Service area

- Service area extends across the country.

Description and pricing of additional services

- Saturday delivery
 - Shipment delivered to client on Saturday
 - Additional service and delivery area agreed separately with the client
 - Additional fee €/shipment
- LQ
 - Each transport unit in the shipment requires a label indicating 'LQ' shipment
 - LQ shipments require extra careful packing
 - Pakettipiste's safety advisor provides more information where necessary
 - Additional fee €/shipment
- Fragile
 - Each transport unit in the shipment requires a label indicating 'Fragile' shipment
 - Fragile shipments require extra careful packing
 - Pakettipiste is not bound by any information provided in factory labels
 - The additional 'Fragile' service does not increase Pakettipiste's liability for damages nor does it release the sender from liability concerning, for instance, adequate packing
 - Additional fee €/shipment
- Separate handling
 - In any integrations, shipment of an oversized transport unit is designated with the additional 'Separate handling' service
 - The additional 'Separate handling' service is charged if just one dimension of one parcel in the shipment exceeds the maximum size of 100 cm × 60 cm × 60 cm
 - The additional 'Separate handling' service is charged if just one parcel in the shipment exceeds the maximum volume of 0.36 m³
 - The additional 'Separate handling' service is charged if an item loaded on top of the transport unit is larger than the base area of the transport unit
 - The additional 'Separate handling' service is charged if just one parcel or transport unit in the shipment contains liquids
 - Pakettipiste reserves the right to measure transport units and, if a transport unit's maximum size or volume are exceeded, designate the client's shipment with the additional 'Separate handling' service
 - Additional fee +50% per shipment
- Change to delivery information
 - Client-initiated change to delivery information
 - Change to delivery information includes additional 'Manual creation of transport order' service
 - Additional fee €/shipment

- Separate pickup
 - Pick-up from a client-specified address on separate order
 - Additional service and pick-up area agreed separately with the client
 - Additional fee €/pickup + €/shipment

Service limitations

- Pakettipiste does not transport products classified as dangerous goods.
- Pakettipiste does not transport firearms or parts or supplies thereof, cartridges or dangerous ammunition.
- Pakettipiste does not transport living or dead animals, animal parts or flora.
- Pakettipiste does not transport currency, bonds, jewellery, precious metals, precious metal jewellery, pearls or works of art.
- Pakettipiste does not transport alcohol, food or other perishable goods unless separately agreed upon with Pakettipiste.
